

**North Royalton Soccer Club**  
**Meeting Minutes - Board**  
**February 7, 2007**  
**7:00pm**

**Attendees:** Frank Castrovillari, Ron Sommers, Doug Hershman, Laura Sedlak, Tiffany Luzader, Todd Kauppila, Paul Rossman.

**Building Update:** The room downstairs used for equipment and merchandise is now complete. HVAC will be completed in March. The contractor has been working to complete the upstairs.

**Budget:** The city has requested a copy of the budget and this will be provided to them by Todd.

**New Equipment:** The goals at Heasley field need replaced. We are looking into purchasing new goals and the old ones that are in good condition will be placed at the practice fields. Some of the goals at certain practice fields are in very poor shape and will be replaced first.

**Uniforms:** Looking to change the color and/or style of the travel uniforms. We will get samples of uniforms in purple/gold and black/gold. May be a change to look more like the high school uniforms. Also we will look at providing a goalie jersey for all the inhouse teams.

**Travel Updates:** Boys fees for travel will go up at least 1-2\$ per player for fall. Boys ref fees are also going up to match the girls fees.

**Referee Classes:** We need to schedule some ref classes here in North Royalton if we are able. All of our refs need decertified. We will work on getting some classes here but in the meantime check the GCSOA.org website for local classes. Please check our website for further info.

**Picture Day:** Picture day is March 10<sup>th</sup> in the high school cafeteria. If anyone is interested in helping let us know. Prices for pictures will be the same.

**Concession Stand:** Kelly Tarnowski has requested a pay increase for the concession stand staff. Would like to pay them minimum wage. Everyone

was in favor.

**Sponsors:** We are looking for anyone who is willing to be a sponsor coordinator. We need to calculate how much it costs the club to field a team and make sure our fees are on track. Potential sponsors need to be contacted in April.

We would like to reinstate commissioners for each age group. These individuals would be in charge of distribution of trophies, collecting equipment, rosters, and complaints. This would be a better distribution of responsibilities.

Adult soccer needs some new uniforms. These will be ordered.

Meeting was adjourned at 8:30pm
