

NORTH ROYALTON SOCCER CLUB
MEETING MINUTES
August 20, 2006
7:00pm

Attendees: Frank Castrovillari, Tiffany Luzader, Todd Kaupilla, Paul Rossman, Ed Swim.

Building: The building is being re-keyed including the equipment room. Some finishing touches need to be done on the building. The HVAC system needs replaced. We have two estimates for this and it needs to be approved by the board of trustees. Todd made a motion to present the two estimates at the October trustee meeting, Paul seconded the motion and all were in favor. Motion passed. Estimates will be presented to the trustees at the trustee meeting.

October trustee meeting: Will present by-law changes and the vote for a city representative on the soccer board at October trustee meeting. Looking at October 11th and we will see if we can get a room at city hall for meeting. Motion to present at the trustee meeting that a city appointed but mutually agreed upon, non-voting representative on soccer board for a one year term. All in favor motion passes.

Website update: The website has been updated and is running well. There is a question of whether or not the standings should be posted on the website. Motion to post standings on website by Curt seconded by Todd, all in favor motion passes. The standings will continue to be posted on the website. Some new things coming to the website are meeting minutes, travel links, By -laws, travel field schedule, mapquest, OYSAN. Look for these soon.

Travel update: No new news. Make sure boys U8 age requirement is on registration forms.

2006-2007 Calendar: Next season calendar has been updated . Todd makes motion to approve calendar, Paul seconds motion. All in favor motion passes.

Field and Game updates: There are no dogs allowed at the fields. There have been quite a few dogs at games and people will be asked to leave their dogs in the car. There are signs posted at the field stating no dogs allowed. We are looking at new game cards for refs for Spring. We are looking at giving games numbers so it will be easier for the refs to fill out cards. There has been some problems getting the cards filled out completely. More to come later.

Broadview Hts. U14: We have been approached by Broadview Hts. about adding their boys u14 team to our in house league. They only have enough boys to make one team and instead of having them not be able to play would like to join North Royalton so they can play. In return we would be able to use some of their fields for games. This would happen for the spring session. They would follow our club rules and would like to have practice games this fall so they get to play. This would be a pilot program and would be voted on by the trustees. Motion for Broadview Hts. pilot program for U14 all in favor motion passes. Will be discussed at the trustee meeting in October.

By-law changes: We will be looking at making some by-law changes. The board has made some suggestions and these will be printed up and presented to the trustees at the trustee meeting.

Meeting adjourned at 9:25pm
