NRSC 'Request' Policy. Siblings in the same age group will always be placed on the same team, unless otherwise requested. Munchkin players are permitted to request the coach or player of their choice. Please write your request on the top of the registration form. For all other age groups, requests may be denied to keep teams competitive.

Fall 2009 Schedule. Practice begins the week of August 3rd. First games will commence Saturday, August 22nd. Fall season will end October 10th. Munchkins practice and play only on Saturdays. Other age groups will practice once or twice during the week and play on Saturdays. Travel plays primarily on Sundays.

Spring 2010 Schedule. Team pictures will be in March. Practice begins in late March with games in April and May. Soccer Days 2010, the end of the spring season, will be the weekend before Memorial Day.

Football (spring only). If your child wants to be placed on a team but will not participate in the fall season due to other commitments, please indicate that by writing 'football' or 'spring only' on the top of the registration form. This will ensure our teams are properly filled and seeded for the fall and spring seasons.

Coaching/Sponsorship. With coaching clinics, an unparalleled video library, and numerous publications in our newly revamped NRSC headquarters, you'll have all the information and help you need to understand and coach the game of soccer. It's an exciting and educational way to help you and our soccer program ensure continued success. Sponsorship is another way to get involved. We are always looking for innovative ways to include local businesses in our program. Please give your ideas along with your financial support. Check the 'Are you willing to help?' box if you are interested in either. Please patronize our sponsors (See attached list.)

Volunteer. As our community suffers growing pains, we as a soccer club are as well. We are in constant need of volunteers to commit their time, ideas, and energy to the administrative side of the organization. The NRSC Board is always looking for a few special volunteers each season. Contact Curt Keaton (582-9681) to find out how you can help.
