

NRSC Withdraw and Refund Policy

Competitive soccer is a team sport, and travel teams are formed around the players who registered with the NRSC. After a team has been formed and rosters have been announced, the NRSC will follow through with its commitment and proceed on behalf of each team with coaching assignments, league registrations, player registrations, practice and game scheduling, etc.

Accordingly, the NRSC expects that players/parents will do the same on their end and will follow through with payment and any other obligations in a timely manner. Because withdrawals can result in the unraveling of a team, the policy regarding withdraw is stringent and not negotiable.

This withdraw process will formally have the player removed from the roster, discontinue his/her commitment to the NRSC, and discontinue any further financial obligation for the upcoming season. The NRSC has a limited refund policy. All refund requests must be made in writing to the NRSC Board. Email is an acceptable method of communicating the intent to withdraw.

The NRSC is a non-profit youth sports organization. NRSC members are responsible for paying fees until the time the NRSC receives the written intent to withdraw. Fees are collected for travel league registration and league fees, insurance, facility maintenance and upgrade costs, coaching education, licensure, and fees, credit card processing fees, equipment and uniform orders, and administrative costs.

All registration fees, late fees, and assessed processing fees must be paid in full in order for current or future participation in NRSC practices, games, skill sessions, and player evaluations.
