7:00-8:15 **2006-U12/2005-U13/2004/3-U14/15**

The NRSC Travel Program offers competitive level soccer under advanced instruction from paid and licensed coaches. Teams play in the OHTSL (Ohio Travel Soccer League) against other Greater Cleveland area community travel programs. Teams practice twice per week in addition to playing an 8-game fall and 8-game spring schedule. 4 of those games each season are played right here on our home fields. The NRSC travel program also includes foot-skills training, taught by qualified instructors, at no additional charge. Travel Teams will all compete in two local tournaments, one each, Fall and Spring season, at a cost of \$60.00 each. The Ohio Travel Cup in October, played in Lodi and the MIST Tournament in May, played in Medina. Travel players are also encouraged to participate in, as available winter, indoor training and off-season indoor leagues. These are also at an additional cost to the players.

**Register, prior to 5/28 in order to try out** for the combined fall & spring season cost of \$200.00, online at nrsc.net. \$220 late registration if space is available. A complete uniform kit, that should last several years, is required for all new travel players at an additional cost. Currently \$90.00.

**NOTE: Player candidates must reside within the North Royalton School District or attend a school within the North Royalton district boundary line.**
