games in gray

These are games that have been rescheduled from the rain out. The original referees that were assigned are doing the rescheduled games unless they send out another request to have someone cover their game.

I gave most games this week, to referees with one game to help even out the numbers. I still have a few and will get them caught up soon next week. We have a few refs that do U14 that get more games as we are light at the qualified numbers. We also have a few refs that are teaching others, so they get more games.
